

Kenya Prayer Guide

PRAYER GUIDE: Our team is excited about this trip and we are praying that God will fill our hearts with love for the lost and open our minds to the way he wants to use each of us to share that love with others! We are so honored and grateful that you have agreed to share in this opportunity with us, through your prayers and support. **Please use the prayer points on this sheet as a guide and a reminder to help you pray for our team.** May God deepen your own experience of His love as you pray for others!

Just as a reminder, we will be working on a variety of projects, including: building homes, distribution of Treasures (audio Bibles), teaching at evangelistic conferences and working with AIDS orphans at Gethsemane Garden Christian Centre (GGCC) & in Kawiti Village.
